

Leadership Education Consultant

Evans Newton Incorporated (ENI) a 37 year old nationally respected educational consulting company in Scottsdale, AZ is seeking an experienced Education Consultants with Principal and/or Leadership background for PT Independent Contract positions in Charleston, SC, Birmingham, AL, and Denver, CO.

ENI provides proven curriculum professional development solutions to support student success, teacher effectiveness and the needs of school administrators. Working with school districts nationwide, ENI is dedicated to giving every student the opportunity to succeed.

Position Summary:

The Consultant will provide a critical role in the implementation of a coherent, whole school transformation and turnaround process, integrating structural and programmatic interventions, including weekly on-site support, leadership, and assistance to the school and district with the ultimate goal of substantially raising student achievement. The Consultant will conduct appropriate research, collect, and analyze data; summarize findings and submit reports and recommendations as appropriate.

Responsibilities:

- **Extensive travel.** Independent contract work requires at least 50% travel (2 weeks/month).
- Prepare and provide custom training to teachers and administrators.
- Provide classroom coaching to support implementation of standards-based instruction (experience with CCSS is preferred).
- Stay current in all educational trends nationwide; research and develop new in-services & products.
- Create original assessments and curriculum products based on individual state and CCSS.
- Understand curriculum, assessments, and instructional strategies that utilize 'best practices' for increased student achievement and educational leadership.
- On site project management for key customers.

Skills, Knowledge and Experience:

- 10+ years combined experience teaching in a core subject area (Math or ELA) and principal and/or leadership experience
- MA required, preferably in Education
- Curriculum background, teacher training, and specialized curricular area of concentration (preferred)
- Experience presenting in-services/workshops (preferred)
- Experience coaching or mentoring teachers (preferred)
- Ability to multi-task, prioritize and organize multiple projects/tasks concurrently while meeting required deadlines and adhere to company and department procedures
- Strong cognitive skills and attention to detail
- Ability to work independently and as part of a team in a customer-driven, fast-paced environment
- PC Skills – Excel, Word, PowerPoint, Outlook

An ideal candidate will email a cover letter, resume and salary requirements to hr@evansnewton.com or fax to (480) 951-2895. Due to high volume of resumes only candidates meeting or exceeding the above requirements will be considered. PLEASE DO NOT APPLY IF YOU DO NOT MEET THE REQUIREMENTS. No phone calls please.

Resumes submitted will not be considered without a cover letter and salary history. Competitive salary and excellent benefits package offered to full time employees. ENI is committed to the principles of diversity and equal opportunity. For more information on Evans Newton, please visit www.evansnewton.com.
