

Are you excited about teaching and want to share your knowledge and skills with teachers in districts around the country? This is your chance to use your expertise in a new educational experience by taking an exciting role in education.

Evans Newton Incorporated (ENI) is a 35 year old nationally respected educational consulting company based out of Scottsdale, AZ. ENI provides proven curriculum solutions to support student success, teacher effectiveness and the needs of school administrators. Working with school districts nationwide, ENI is dedicated to giving every student the opportunity to succeed. **We are searching for individuals looking for full time and contract positions who would enjoy extensive travel (75%-100%). Candidate must be able to meet the travel requirements.**

An ideal candidate would have the following essential functions, skills, knowledge and experience and will email a letter, resume, and salary requirements to [hr@evansnewton.com](mailto:hr@evansnewton.com) or fax to 480-951-2895. Due to high volume of resumes only candidates meeting or exceeding the following requirements will be considered.  
PLEASE DO NOT APPLY IF YOU DO NOT MEET THE REQUIREMENTS.

- Extensive travel across the U.S.
- Prepare and provide custom training to teachers and administrators.
- Provide classroom coaching to support implementation of standards-based instruction.
- Stay current in all educational trends nationwide.
- Research and develop new in-services & products.
- Create original assessments and curriculum products based on state standards.
- Understand curriculum, assessments, and instructional strategies that utilize 'best practices' for increased student achievement and educational leadership.
- On site project management for key customers.

Requirements: Skills, Knowledge and Experience in the following:

- At least 6 years teaching experience in LA/Reading or Math/Sci at any level (Elementary (4-6), Middle and High School).
- MA required, preferably in Education
- Curriculum background, teacher training, and specialized curricular area of concentration (preferred)
- Experience presenting in-services/workshops (preferred)
- Experience coaching or mentoring teachers (preferred)
- Ability to multi-task, prioritize and organize multiple projects/tasks concurrently while meeting required deadlines and adhere to company and department procedures
- Strong cognitive skills and attention to detail
- Ability to work independently and as part of a team in a customer-driven, fast-paced environment
- PC Skills – Excel, Word, PowerPoint, Outlook
- School or district administrative experience (preferred)

Due to high volume of candidates, no phone calls please. Resumes submitted will not be considered without a cover letter and salary history. Competitive salary and excellent benefits package offered to full time employees. ENI is committed to the principles of diversity and equal opportunity.
