Common Core State Standards and School Transformation Symposium

Evans Newton Incorporated (ENI) invites you to participate in workshops and panel discussions from practitioners and leaders on transitioning to Common Core State Standards and school transformation at our Fall Symposium October 5-7, 2011 in Scottsdale, Arizona.

Topics

- Transitioning to the Common Core State Standards
- Distributed Leadership in School Transformation
- Shared Leadership in School Transformation
- How to Use Data to Drive School Transformation

You will leave with practical ideas on the process of transitioning to the Common Core State Standards and school transformation.

How To Register

Register online or contact Melissa Myers at 800.443.0544 ext. 219 or mmyers@evansnewton.com.

Keynote presentation by
Dr. Victoria L. Bernhardt

Dr. Victoria L. Bernhardt is a celebrated author of books and articles on using data to improve student learning.
